

11th March 2025

Dear Parents/Carers,

As the Head of School, I would like to welcome you to Rastrick High School, and I am delighted that your child will be joining the school in September. I hope your child is looking forward to starting a new chapter in their educational life and ready to participate in all the exciting new opportunities provided by Rastrick. On behalf of my staff, we are looking forward to collaborating with you to make your child's experience of school an incredibly positive one.

The transition from primary school to secondary school will generate lots of questions and conversations. In preparation, the school has organised many opportunities for you and your child to experience the school and discuss any queries you may have before starting in September. Over the next few weeks, you will receive documentation that will support the smooth transition to the school. Please put time aside to complete the documents and return them to the school within the appropriate time scales.

In the interim, please encourage your child to continue to enjoy their time at their primary school and I look forward to working with you and your family in the near future.

Yours faithfully

Mr Mat Williams  
Head of School

Rastrick High School, Field Top Road,
