

Subject Overview English – Year 11

Students will enter their final year of GCSE study with the aim of building maturity into their reading, analysis, critical thinking, and writing skills. It is here that they will be able to reflect on how and why writers explore the world around them – their politics, ethics, emotions, and experiences – with an assuredness that comes from the breadth and depth of the curriculum at KS3 and Year 10.

	Half Term 1	Half Term 2	Half Term 3	Half Term 4	Half Term 5
