

Spanish Subject Overview – Year 9

Students build on prior learning as they begin to articulate their views and opinions in a variety of complex time frames which, in turn, enables them to develop as confident communicators. Through the study of topics such as ‘technology in everyday life’, ‘healthy lifestyle’ and ‘jobs & future plans’, pupils build on their cultural capital by exploring a range of social and global issues relevant to them.

	Half Term 1	Half Term 2	Half Term 3	Half Term 4	Half Term 5	Half Term 6
Knowledge & Skills	Free time & technology (8 Lessons) To apply present tense & modal verbs to describe how you use technology.
