

Physical Education Curriculum Overview– Year 11

In Year 11 students continue to specialise in sports specific skills and practice these in **pressurised and competitive situations** through different activities on a rotation throughout the year. Students continue to build upon knowledge of analysis of performance, tactics and strategies, healthy, active lifestyles and anatomy and physiology.

		Analysis of Performance	Tactics and Strategies		Healthy, active lifestyles	Anatomy and Physiology	
Knowledge & Skills		Justify how performance can be improved through specific practices. Use basic and advanced terminology confidently and consistently across a range of activities. Assessment - Justify why that practice would improve performance - Uses basic and advanced sport specific terminology confidently and consistently across all activities	Students will use their knowledge to specialise in official roles within a chosen activity. Students will justify the use of appropriate tactics in each activity to outwit opponents, perform aesthetically or problem solve. Assessment - Perform as an official in a chosen activity - Select and use appropriate tactics, justifying why they have chosen that tactic		Students will be able to: - Identify how activity promotes a healthy, balanced lifestyle - Compare the requirements of fitness in different activities Assessment - Describe the things we can do to live a healthy, balanced lifestyle - Describe the negative impact on sport if components of fitness are poor.	Students will be able to identify movements which take place at the knee and elbow in specific sporting movements. Assessment Describe what flexion and extension are	
Sport Specific skills	Boys	Football - Passing - Ball control - Dribbling - Turning - Shooting - Defending - Crossing and finishing - Creating space	Rugby - Passing - Catching - Tackling - Playing the ball - Evasion - Defending - Support play - Creating space	Athletics - Sprinting - Pacing - Jumping - Throwing	Striking & Fielding - Throwing - Catching - Bowling - Batting - Running - Fielding	Basketball - Passing - Catching - Dribbling - Shooting - Defending - Attacking	Table Tennis - Stance & grip - Push shot - Serve - Spin - Drive shot - Ball control
	Girls					Netball - Ball handling - Running step - Backline passes - Centre passes - Shooting - Interceptions	Dance - Motif development - Actions - Space - Dynamics - Relationships
